INTRODUCTION

This document is the Index to the Administrative Record File for the Harco Site Removal Action. The Index cites site-specific documents and guidance documents used by EPA staff in selecting a removal action at the site. Removal activities to be performed at the site will be determined once the extent of contamination has been established, and may include fence installation, capping or excavation of contaminated soil at the site.

The Administrative Record File is available for public review at the EPA Environmental Services Division's (ESD) office at 60 Westview Street, Lexington, Massachusetts 02173, and at the Wilton Library Association, 137 Old Ridgefield Road, Wilton, Connecticut 06897. Questions concerning the Administrative Record File should be addressed to EPA On-Scene Coordinator Paul R. Groulx.

The Administrative Record File is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C. § 9613 (k), and EPA'S implementing regulations, 40 CFR § 300.800.-825.
